

Do you have Otomycosis? (Fungal Ear Infection of the Ear Canal)

We are currently recruiting for a clinical research study of an investigational product for Otomycosis.

Otomycosis symptoms include ear fullness, ear pain, ear drainage and/or hearing changes.

To qualify you must:

- Currently have Otomycosis.
- Be at least 18 years of age.
- Be willing to attend 4 visits over 26 days.

You may be compensated up to \$300.00
for time and travel.

No insurance is required to participate.
